MEMORANDUM FOR: The Brethren

SUBJECT : Possible U.S. Actions Regarding  
the Trans-DMZ Road

1. Attached are two papers discussed at the 13 August Sullivan Committee meeting. The first is a memo from Dr. Kissinger to Mr. Sullivan requesting an examination of available military and diplomatic options that could be employed to respond to North Vietnamese road building activity. The second is a draft JCS memorandum written as a possible input to the Ad Hoc Committee's reply, which has not yet been completed.

2. No specific Agency action has been called for. We will receive a copy of the Committee's consolidated response before it is sent to Dr. Kissinger and I will naturally solicit your comments thereon.
